😂

Tum mujhe hasa dete ho

Chahe tumhare jokes kitne bhi bekaar kyun na ho. 😭

🫶

Tum sab better kar dete ho

Kabhi-kabhi bas tumse baat karna hi kaafi hota hai.

🦖

Tum jaise ho, waise hi best ho

Sach mein tumhare jaisa ek hi Naag Medhak Dinosaur hai.

🌷

Tum mere liye important ho

Jitna shayad main bolkar nahi bata paati.

😂 Official Dinosaur Report 🦖

Species: Naag Medhak Dinosaur 🐸🦖

Mashhoor kisliye: Pareshan karne aur phir bhi cute lagne ke liye.

Special power: Jab main expect bhi na karun tab mujhe smile karwane ki.

Kamzori: Main. Obviously. 🙄

Status: Unfortunately, mere liye bahut zyada important. 💗

🥹 Ek chhoti si baat 💌

Happy BF Day, mere stupid se dinosaur. 🦖💗

I don't always know how to say everything properly, but I hope you know that having you in my life means a lot to me. Thank you for the laughs, the random conversations, the little moments, and for simply being you.

We may be weird, annoying, dramatic and absolutely impossible sometimes, but that's also what makes our little world special.

So today is officially your day. Enjoy it, smile a lot, and remember: **you are very, very loved.** 🫶

Ek last baat... 🎁

Main tumhe phir choose karti, chahe tum wahi stupid dinosaur settings ke saath kyun na aate. 😭💗🦖

Bahut saare pyaar, bahut saare emojis aur thodi si pagalpan se banaya gaya. 💗
